

Hannah's Eggy Potato Scramble

Makes: 2 Servings

"I came up with my recipe, because I wanted a meal that was filling and healthy, and also included sweet potatoes as I really love them," says Hannah. "I do gymnastics and swimming, so I need food that is going to fill me up and give me lots of energy. I love to cook and I help my mom out in the kitchen all the time. Even my little brother Daniel (who wants to be president one day) says it is delicious. I hope you enjoy it, too."

baking. After 10 minutes, add the mushrooms, and cook for another 10 minutes, or until the veggies are slightly browned.

3. **In a small bowl**, whisk together the eggs and milk. Cook in a nonstick pan over medium heat for about 2 minutes, or until the eggs are scrambled.
 4. **When the potatoes and veggies are cooked**, remove from the oven (leave the oven on) and carefully cut the sweet potatoes in half lengthwise, being careful not to rip the skin. Scoop out the sweet potato flesh and place in a medium bowl. Add the Brussels sprouts-mushroom mixture and the scrambled eggs, mix together well, and place into the potato skins. Sprinkle the cheese, breadcrumbs, and shredded ham on top of each potato half. Bake for 5 minutes, or until the cheese has melted.
